Tools	Git , Postman , VS Code , Claude Code , TRAE , Antigravity

TECHNICAL EXPERIENCE

Software Development Engineer
Orufy Technologies Private Limited

June 2023 — Present
Jaipur, Rajasthan

- Owned backend architecture across **multiple products**, designing APIs/schemas and optimizing database queries — cutting response latency by **20%**.
- Engineered and launched **2+ customer-facing platforms** from scratch, covering frontend, backend, and devOps.
- Implemented **multi-gateway payment support (Razorpay, Cashfree)** within a single application, enabling flexible checkout options and fallback handling.
- Delivered **WebSocket-based real-time data sharing**, enabling live app preview updates for users.
- Developed an **AI-powered chatbot** using the **Gemini API**, trained on internal data to answer user queries in real time.
- Migrated **2 codebases** from **JavaScript** to **TypeScript**, reducing bugs by **20–30%** and improving maintainability.
- Integrated **Strapi CMS**, enabling non-developers to manage content and reducing developer dependency by **70%**.
- Managed a **monorepo setup for 2+ products**, improving code reusability and reducing build issues.
- Designed **2 admin dashboards** serving **1M+ users**, improving data visibility and access speed by **30%**.
- Published an **NPM package** used by clients to integrate our SaaS solutions into their applications.
- Mentored **3+ developers** through code reviews and project support, improving quality and efficiency.

Software Development Intern
Tech Jain IT Solutions

December 2022 — February 2023
Remote

- Developed backend CRUD APIs for donation management system, processing **300+ submissions**.
- Part of a responsive front-end donation website.
- Collaborated with a team of 5 developers to enhance project efficiency.

EDUCATION

MCA - Masters of Computer Applications , Dr. A.P.J. Abdul Kalam Technical University (Noida)

July 2025

BCA - Bachelor of Computer Applications , Devbhoomi Uttarakhand University (Dehradun)

August 2023

Schooling , Vivekanand Inter College

April 2020
